

WELCOME

Let's get ready to garden...

WHAT IS A COMMUNITY LEAGUE?

A Community league is a **volunteer**, not for profit organization formed to meet the unique needs and interests of YOU – the King Edward Park Community. We are open to anyone who lives in our neighborhood. We welcome everyone to our meetings for your valued input and assistance.

When you purchase a KEP community league membership for \$20, you help our volunteers maintain and operate our halls, rink and tennis courts. We also operate community gardens, parks, and movie nights. You have free access to select pools during Community swim times, complementary membership to the Edmonton Tool Library, free skating at our outdoor rink, discounted rates for community recreation and 10% off passes at City of Edmonton sports facilities.

THANK YOU TO OUR VOLUNTEERS

=====

A maker bin of small items creates a whole new world in a child's eyes. Left over yarn or material could create quilts and scarves for people in need. Old towels and bedding could be used at an animal shelter. Soup kitchens could use large yogurt containers to hand out food...

Reuse is only limited by our imagination. It's easier to just throw away these simple items in the garbage, but it just takes a moment to set things aside for someone else to use. So, the next time you're about to throw something away, take another look. Is there some other use you can find for this? Could someone else use this? Could it go to the Reuse Centre? You don't have to be crafty yourself; just conscious that putting something in the landfill isn't necessarily the only answer. If we all did this, perhaps waste and what to do with it wouldn't be quite as big a problem as it is.

That's right people. Save the world. One popsicle stick, ribbon, basket, milk jug lid, etc. at a time.

BIG BIN for yard clean up!
